Sun Rise

The sun rises daily
Bringing around a new day
It climbs into the sky
Spreading its warmth and light
Letting all nature collect it.
K.C.M.

Yesterday, I saw a cloud, billowing and high
 It took the shape of a friend
 Then past fondly by
 I looked again and an image waved
 But vanished with great haste
 To catch the breeze that blows the trees
 In a never ending pace.

P.K.

Me

I am a spec,
in the eyes of the earth.
A small dot,
in the universe.
Coming and going.
A creature of God.
Here for a short time
to visit my friends.
J.S.

Freshmen year

learning, finding out, acting dumb,
Basic Communications, questioning,
free bubbler rides

Sophomore

still learning, settling down,
Driver's Ed., dances, questioning
class rings.

Juniors

heading toward goals, growing,
still learning, prom, geometry,
good friends.

Seniors

learning, love, finding a career,
college, graduation, growing up,

A Clear Vision

How do I see
What do I really perceive
I look, but what do I take in
A rectangle, a square, or just something thin
Is it big, is it small
Oblong, or tall
Blue, white, green, or black
Can I see a crack
It is definitely there
But do I care?

My eyes are open
I know that as sure as I have spoken
Reflecting into them is light
That it's what gives me my sight
I can see soft or hard
Whether something is clean or marred
Thousands of shapes I see each day
Until I get old and gray
But what good is it to me
Noticing details in the outline of a tree
The answer is, memory

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And took the one less traveled by,
And looked down as far as I could
To see what it brought to the end of the road.

For the Road that was taken
And having perhaps the better
Of the two, I shall be
Satisfied, though I know
That the Road that was not taken
Had very much to offer.

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for that reason
The knowing how way leads to the end
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I
Took the one less traveled by,
And that has made all the difference.

Robert Frost

LAW AND ORDER

It seems that many things about the faculty have changed. The old reading, writing, and arithmetic method is still here, but fresh ideas have been created to broaden a student's mind, such as classes like ceramics, astronomy, psychology, weaving and many others. Years ago, these classes were never heard of being in a high school curriculum. Now teachers are able to speak in a free way and let the students follow this through. Just think, teachers here at West Bend East can even wear jeans, making the classroom a more relaxed and (believe it or not) "nice" place to be. Yes, the faculty has changed. It has taken a turn for the better. Now, school is an interesting place to be. Today's students are tomorrow's teachers.

ADMINISTRATION

Mr. Jon W. Kaiser, Associate Principal; Dr. John M. Sheehy, Executive Principal; Mr. Ralph O. Eggert, Assistant Principal

Both as a teacher and administrator, I have especially cherished the opportunity to develop empathy for all styles of learning in high school students. They have encouraged me to think more seriously about their individual interests and needs, and eventually become more accepting of these differences. I have learned how important it is to establish rapport with all students regardless of their social or economic status. High school students have permitted me to change from an inflexible ethnic authoritarian to an advocate for their life's needs. They have made me appreciate that they can learn in a non-dictatorial, non-regimented educational process. I am grateful for their trust. - Mr. Ben Russo

"I've had several memorable experiences here at West Bend East and many of them are so embarrassing that I absolutely refuse to put them in print. However, I recall one incident that would qualify for public consumption. When I began teaching here I was naturally naive about the mod system. It was about the second cycle of school when I headed for a Modern Psychology class in one of the open rooms. At this point, I knew none of my students and as a matter of fact, it seemed I could not distinguish one student from another. I got to class early and carefully laid out all my material and waited while students entered the room. The room filled up and I was about to start taking attendance when another teacher came in claiming that it was his class. With a very red face, I gathered my materials and left, accompanied by a roar of laughter. Needless to say, I was in the right room at the wrong time and felt like an absolute idiot."

BOYS' SPORTS

Reflecting back on the 1977 sports season can bring many things back to an athlete's mind. The early and late practices. The constant drilling and running and drilling and running. Then, the sore, tired and aching muscles the next morning would bring about the question in your mind, "Is it really worth the trouble?" But as game time approached, the doubts and thoughts of sore muscles left our minds for more important events - the game. This is when we became aware of the importance of each individual's dedication and the power of team unity. The game is what it all boiled down to. This is where we tried to prove ourselves and failed, met, or exceeded our own goals. Many athletes have gained confidence, pride and self-respect through their sports. They found that by working with others they could reach a goal that could not have been reached alone. These memories of personal growth both in body and mind are priceless and will be locked up and treasured for the rest of our lives.

ALL THE WAY TO STATE

Mark Fuerbringer is giving everything he has to place high in this meet. Mark and Terry are the only Varsity senior runners.

Row One: Peter Goll, John Callen, Diane Babros, Jane Vandenberg, John Kenney, Steve Wiskerchen, Row Two: Fred Mueller, Tom Mertes, Jim Lewis, Greg Anderson, Greg O'Meara, John Reynolds, Row Three: Coach John Klein, Tom Quigley, Steve Stocker, John Plotenhauer, Bill Quast, Dan Gierach, Mark Fuerbringer, Terry Babros, Steve Jach.

Terry Babros was most valuable runner and team captain and is presently the top distance runner in West Bend's history.

State Team: Row One: Mark Fuerbringer, Terry Babros, Steve Stocker, Row Two: Steve Jach, John Plotenhauer, Bill Quast, Dan Gierach, Coach John Klein. Missing: Tom Quigley.

The 1976-77 East Cross Country team could only be expressed as "successful", ending up the season at the state meet. The East squad went to sectionals for the third year in a row. They won the big conference meet at the end of the regular season by a huge margin.

The real success came from Terry Babros, who ran great all season, getting 6 firsts and 5 seconds out of 15 meets. His leadership was proven by the team going to the state meet for the first time in the school's history. Terry Babros and Steve Stocker (which will be the returning captain next year) were named to the coveted "All-Conference Team."

Coach John Klein was the key that unlocked the door to success for the East team. He is an exceptional coach, combining dedication, technical knowhow, the strategies of scheduling practices and meets, while also keeping the team "up" and healthy, even when things didn't go right! He used everyone, and gave them a chance. He led his team to an overall record of 69-18, winning two invitationals.

The team was very young, being the youngest at the State Meet, but acquired that all-important experience. With all these young, talented runners coming back, Coach Klein hopes to build the program so it will hopefully result in a tradition of winning and school pride.

MVP and Captain of the team, Terry Babros, commented about the season. "I think everybody in the Conference knows who were the champs. The guys on the team were fantastic, they dedicated themselves and tried harder every meet. That's why we made it to state. I think the team next year will be even better than this year's."

Certainly this winning attitude and tradition will continue next year and in the years to come, with leaders like Coach Klein, 1976 Captain Terry Babros, and returning Captain Steve Stocker.

This is the most kids that ever came out for football on the freshman level. It's a little bit of a record for numbers on the freshman level (30 kids). Compared to teams in the past I had, there were maybe just 8 or 9 talented players. So this bunch has a lot of potential coming up if they keep at it. This is the first time we ran two teams. The kids on the B team were just as good as many of the A team kids in the past. The highlight of the year was when we beat St. West 22 to 6 with a big defensive game. So in the future these kids will be a lot better than the kids that are here now. We will pass on to the future." Coach Gary Perkins

Above: The specialty teams or "suicide squads" add greatly to a team's chances of winning or losing. They are shown here getting off a successful punt. Left: Tim Galante got away from three West defenders on this play to score a touchdown. This was East's last game and best effort of the season. Below: Mitch Knox, who was MVP and co-captain of the East team, also received honors of being selected as first team All-Conference quarterback. He is shown here shaking off a tackler and making a big gain.

Below: Greg Link shows his concentration of getting emotionally prepared for the game.

Although the line was small this year, they were determined and competitive. Good blocking techniques were taught by Line Coach Jim Stoltz, shown here talking to the line during the game.

Above: Ken Frank needed assistance by a doctor to look over a bad knee. Ken was one of the many victims this year to suffer serious injuries, that kept them out of playing a good portion of the season. Below: Who ever says East never gets hot once in a while. Here Ron Stone, eight-one, is debating a questionable call by the referee.

The season looked as if it was going to be a very successful one, starting out the season with 25 seniors, 7 of which were returning lettermen. But as the season went on, so did the continuation of injuries. It just seemed to be the story of this year's football season, they ended up with a 3-6 overall record. But this group had much more talent and potential than what their record showed.

But still there were plenty of memories that came out of the season. Everything from good plays, tackles, boiling hot to freezing cold practices, to a QB in the parking lot, beating West, giving nicknames to players (Wildman), and seeing the mobs of fans at McDonalds after the game. But every game was a new encounter, a new experience, and the memory of a lifetime.

Mark Kruepke received the Westerman award (best defensive player) and co-captain award. He also captured second team defensive line backer award.

Tony Gantenbein received first team All-Conference award in the defensive line. Tom Stahl received the best lineman award on the team, and Stahl, Ron Stone and Dale Thoma all received second team All-Conference honors at their respective positions. Bill Chapman and Mark Abe received most improved award on the team.

Shown here in the offensive line driving out their opponents for some more yardage.

A shot of the locker room before the game shows many mixed feelings among the players trying to concentrate on doing their part of the game successfully.

This year's varsity wrestling team had a very successful season, winning the Sectional title for the first time. After a long season, the team came home with many victories and a lot of experience. The team's success was a result of hard work and dedication. The team's success was a result of hard work and dedication.

Seniors Mark Kruepke, Gary Figge, Mark Hausman, Tom Kannal, Mark Hausman, Tim Conrad, and Gary Figge, led the team in many ways this season. Next year, the team will be looking for more success.

High points for the team were winning the Whitfish Bay Invite, as well as sending seniors Mark Kruepke and Gary Figge and sophomore Bob Figge to Sectionals. The team's most wins were in the most pins (12) most team points (119) and fastest pin (23).

Co-captain and Most Valuable Wrestler Gary Figge was the only Senior on the team. The team's success was a result of hard work and dedication. The team's success was a result of hard work and dedication.

Above: Co-captain Mark Kruepke shows the determination it takes to be an excellent wrestler as he pins his opponent. Mark won the West Bend Invite and was West Bend's MVP. He finished with a 19-9 record.

Below: Coach Zeiger cheers on his wrestlers while Bob Figge wrestles. Bob finished with a team leading 12 pins and a 20-4 record as only a sophomore.

Above: Co-captain Gary Figge shows how to put his opponent on his back as he did many times this season. Gary made an excellent comeback after knee surgery, finishing his senior season with a 14-5 record.

Below: Mark Leiknes awaits the referee's whistle before starting the third period. Mark has the chance to be East's first four year letterman in wrestling after finishing his junior year with a 15-6-1 record.

IN THE SWIM OF THINGS!

Row One Head coach Dennis Cherny, Paul Lastofka, Jim Banovich, Terry Stark, Jim Miller, Jim Lang, Mike Lyons, Terry Babros. Row Two Asst. coach Jim Sachse, Greg Lang, Ben Turenske, Mark Gumm, Craig Minsky, Greg Anderson, Steve Howard, Mike Wanniger. Row Three Manager Dave Valind, Chris Rolfs, Rick Wills, Bill Lydon, Dennis O'Meara, Mike Rodamer, Water Berth, Rick Hanson. Row Four: Briggs, Belke, John Strupp, Dean Lastofka, Dave Berth, Chris Kuehl, John Reynolds, Paul Renard, Stuart Winquist, John Nimke, Randy Russo.

Each swimming season brings with it something new and exciting. This year was no exception. The highlights of the past year are numerous. We experienced one of the most talented freshmen groups in many years. The hard work of Seniors Jim Miller and Jim Lang should be an inspiration to the younger swimmers. The result of this hard work enabled Lang to qualify for the State Meet where he swam the 100 yard breaststroke to a school record of 1:05.00. This record should stand for some time to come. Miller had many fine performances during the year

and even though he became ill and was forced out of competition, he was voted most valuable swimmer by his teammates for a second year in a row.

I hope their hard work and determination will carry over into next year because believe we will have one of the most talented group of boys to come along in some time," says head coach Dennis Cherny.

The team shows its emotion throwing coach Cherny into the pool after winning a close, last meet of the season.

Most Improved Swimmer: Sophomore Backstroker Bill Lydon

MVP Jim Miller and Head Coach Dennis Cherny.

The East sophs lost four of their first seven games, mostly because of a lack of defense. Heading into the Christmas break, their conference outlook appeared dismal.

A full scale turnaround took place after the break, however, and a two-practice system gave the young Suns new life. They won nine of their last eleven games, many by lopsided

margins, and finished with a 10-4 conference mark! This was good enough for a second place tie with Beaver Dam. Hartford topped the league with a 13-1 record.

Excellent size and good team depth make next year's varsity outlook interesting and the future promising for West Bend East Basketball.

This year's freshman team has a great deal to look forward to. They were not a good shooting team, however, they worked to get excellent inside shots. With a little more practice shots missed this year will be made next year. There are some very aggressive players which will be a definite asset to these boys. Hopefully the aggressiveness will spread and become a part of every player. The most promising part of this team is their willingness to work to improve. The most important attribute of these boys is the tenacious team defense they played all year.

ELEVEN STRAIGHT-AN EAST RECORD!

Varsity: Row One Keith Heinze, Chris Olson, Jim Haessly, Dave Hauser, Steve Engelbrecht, Mike Hafeman, Eric Schmitz, Manager Tom Mertes. Row Two: Asst Coach Al Carrier, Bruce Zimdars, Scott Stone, Clifford Martinez, Joe Gindt, Jerry Berend, Jeff Nonhof, Ron Stone, Greg Ulik, Mitch Knox, Head Coach Leroy Young

This year's varsity basketball season was a very successful one for the East team. They finished the season with a 9-5 record, good for second place in the conference. The team was led by Joe Gindt, who was voted to the All-Conference first team. Jeff Nonhof was voted to the All-Conference second team. Gindt was also voted MVP by his teammates and Jeff Nonhof was voted captain. Mike Hafeman was chosen as Most Improved.

The Suns then moved on to Regional play against West. This game turned out to be the season final, as the Suns were beaten by a hot shooting West squad. East finished the season with a 9-5 record in conference, good for second place tie with Waupun, and were 11-8 for the season. Joe Gindt was voted to the All-Conference first team, and Jeff Nonhof was voted to the All-Conference second team. Gindt was also voted MVP by his teammates and Jeff Nonhof was voted captain. Mike Hafeman was chosen as Most Improved.

Above: Chris Olson (21) here going in for a basket against West will be one of the many returning juniors whose job it will be to keep East one of the top teams in the conference. Also pictured is Jim Hassely (11) and Keith Heinze (25). Below: Joe Gindt has always been the tops in conference in free throw percentages in his varsity career. Here he demonstrates the coolness it takes to obtain that impressive record against Beaver Dam.

The East Varsity Tennis team came up with a very successful and surprising season ending with an excellent 12-2 record. Unfortunately, the two losses were in conference and the team settled behind Beaver Dam, Hartford and Oconomowoc in a very close race this year. This year's team was the most successful in East's history having great spirit, determination and hustle all season to keep them going. At Subsectionals the team scored ten points which was good for second place beating out six other teams. Wins from Joe Gndt and Mark Gumm in singles and Eric Schmitz and Kurt Meinberg in doubles totaled the ten points. Also having Schmitz and Meinberg qualify for Sectionals (first time someone from East to qualify for Sectionals in East's history). Many talented players are returning next year and with all their gained experience will make out even better than this year's squad. The Most Valuable Player award went to Meinberg and the Captain award went to Schmitz.

Summing up the East Varsity Golf season of 1977 in one word you would probably would say "success". Not just success but "deserved success", did the team win it's fourth consecutive conference championship but earned a spot in the State Meet. The past three years have been frustrating because the team has always come so close to going to State just to see it slip through their hands. This year's luck was with them instead of against them, and they placed second in Sectionals with a unusually high score of 326. Since two teams advance they became the first West Bend East or West golf team to make it to State. MVP for the second year was Steve Engelbrecht, who also was Conference Medalist with an average of 39.3. Captain of the team was three year letterman Jim Miller.

East's most successful season ever in track was highlighted by 32 broken school records. "The highlights of the season were winning the county indoor and outdoor meets along with being the conference indoor champs. We got two second places at big invitationals which all got team trophies for our efforts. We also got four people to Sectionals (Terry Babros, Tony Gartenbein, Keith Heinze and Bob Winkler) and one to the State Meet (Babros in the two mile event). I'm trying to build a track tradition at East which our winning and strong attitudes will continue throughout future seasons. "I'd like to thank Mr. Bob Buel who I exceeded this season at the Head Coaching position. Mr. Buel was a key reason that was a great deal of our base foundation to this successful group of kids. He set the standards and worked with these kids up to where their talents showed now", expressed John Klein. The co-captain of the team were Terry Babros, Chris Puestow and Ron Stone. Most Improved runner was Tom Quigley. Most Valuable field event man was Bob Winkler and Most Valuable runners were Keith Heinze and Babros.

The '77 baseball season is underway and going strong with high hopes and expectations from Head Coach Gary Perkins

The team is consisted of returning Senior lettermen Mitch Knox (2 year letterman), Jeff Nonhof, Dave Behm, Eric Schmitz, Dave Hauser, and Joe Gindt, plus strong support from all seven other seniors, and 3 Juniors. This team has great speed, determination and leadership and are planning to exceed last year's team of going to State. With this team's potenial coach Perkins believe's that experience in batting, pitching and defense are the key ingredients for their success. Not only does this team have a winning attitude but they have it with blood on their minds. But everything has to be taken one thing at a time to reach hopefully our major goal - State, concluded coach Perkins

GIRLS' SPORTS

Goals, trials, errors-all add up to achievements, success and pride. In girls' sports this year both individual and team efforts made for some exciting moments.

The opportunities in sports for girls are becoming greater as time goes on, giving everyone chances never seen before, a chance to break a record, to perfect a skill, to experience the thrill of winning and to accept the disappointment of being defeated.

When looking back on the competition, the teamwork and unforgettable memories, one can easily see how sports has enriched their life in many ways. At West Bend East, we can be proud of our accomplishments and eagerly look forward to what the future will bring.

The girls' tennis team had a great season in '76. Our season started off with a bang when we beat Hartford in our first meet. This really gave us confidence because Hartford had been undefeated for four years. Our skill and confidence remained sure and steady for the rest of the season, leaving an impressive conference record of six wins and one loss, to Beaver Dam. This gave us an honored second place in the conference. The JV team finished second also, with a good outlook for a strong season next year. The tennis team will be losing four valuable seniors but has three returning letterwomen so next season has a promising future-something good to look forward to after such a fantastic season!

Coach Birkholz, Jayne Hateman, Diane Berndt, Connie Rudnicki, Diane Parlow, Annette VanderHyden (captain), Sue Kieckhafer, Nancy Pick

The East Girls Golf team had a lot of determination to win the Ten Conference title. Each individual conference honors with Connie Rudnicki, Diane Parlow and Nancy Pick placed respectively. They took a tough Regional tournament, finishing first to compete in the Sectional tournament where they placed third. The team did not make the State tournament but once again sent a representative-Connie Rudnicki, who placed thirteenth. This year's captain was Annette Vanderhyden, most improved was Diane Parlow and most valuable was Connie Rudnicki. Good luck next year. Remember, "Wherever we go, whatever we do, we're going to go through it together. Through sand and through rough we'll always be tough going to go through it together." A V

Girls' Swimming

The '76 swim team is something to be proud of! With eleven returning letterwomen we finished two years of competition with a perfect record of 17-0. This year not only were we blessed with talent, but we also had the desire to win. We set out with many goals in mind, but the main goal was to beat Hartford at the conference meet in order to revenge last year's tie. Early in the season we defeated them in a triangular meet and then at the Arrowhead Invitational. Excellent performances and constant enthusiasm kept the team alive as we won the title by a mere half point. After winning the conference title, we then swam at Sectionals and came home champs, defeating Sheboygan North, the defending champs by four points. For the third year in a row, we were well represented at state, placing an honored ninth. Kath Shannon brought home the only medal by taking fifth, while Mary Kandel placed eleventh. The medley relay team of Lisa Clark, Shannon, Carol Howard and Connie Spaeth earned a sixth as did Howard in the 50 free. Spaeth and Clark also did well as they took tenth and thirteenth in the 100 back. Co-captains for 1976 were Kerry Larson and Lisa Clark. MVP went to Carol Howard and MVP was awarded to Julie Dricken. With only three graduating seniors, Karen Winkust, Kay Gumm and Kerry Larson, Coach Gatyas has a bright future in next year's team. To all returning swimmers let's keep a good thing going! K.L.

Colleen and Cathy go up to block a spike

Without height and little previous experience the East Girls Volleyball team was at a slight disadvantage. The season got underway with tough matches against good teams, including Wauwatosa East 75-76 champs. Learning to work with each other and relying on our teammates was stressed throughout the season. Although we were not the best team, we did have one or two superstars, we had a whole team. Because as far as starting out from scratch and truly making a team, it took a lot, especially the patience and guidance of our coach, Lynn LaPorte. Our record was 1-10, impressive but not the team's confidence. Only was with us to help adjusting seniors, MVP Cathy Rose, Peggy Wornardt, Laura Becker and Colleen O'Connor prospects look good for the upcoming season. It was another season to be well remembered and our 76-77 team success can only be measured by each member, our learning experiences, the fun and knowledge that to work together is so important! This year was an exciting one for the East Girls' Basketball team. Ending the conference season with a 3-11 record — two wins over West and one over Beaver Dam — they moved on to tournament play. It has always been said that "tournaments are a brand new season," and that was certainly true for our team. Travelling to Port Washington for Regional play, they trounced over West in the first game, and therefore earned the right to come back and play against Beaver Dam, for the Regional Championship. Hard work, determination, and a lot of team spirit carried them through the game, and they ended up winning the Regional trophy. Then it was on to Sectionals, where they were up against a quick Two Rivers team. Excitement and determination carried them through the game, and they won, 37-35. For the final game before State, East was up against previous State Tournament Runners-up, Neenah. Unfortunately, this year they were not able to win. They had a Regional trophy and Sectional medals which was much more than anyone had expected.

The J.V.'s also had a fantastic season, ending with a 12-2 record, with two wins over the top teams in the conference. The outlook for future seasons looks bright!

Jane Wilkomm prepares herself for a difficult stunt.

"The 1976-77 gymnastics season was a successful one. Although our record would not imply this, team and personal achievement was the key to our success. The varsity team won two meets, the first time in West Bend East history and also Joy and Janice Heermans qualified to compete in the Sectionals meet in Nicolet. This also was a first in West Bend East history. The gymnastics team this year was a very close team. Everybody was willing to help everybody else in whatever they needed in improving their routines. The closeness on the team was the main factor to the fun we had at our meets and on the buses, whether we won or not. Each meet left more memories, and allowed us to learn from our mistakes. We couldn't have had the fun that we did without our two coaches, Nancy Pinzenburger and Dorothy Bernarde. They along with the team learned something new every meet and shared the excitement with the team when we won or competed well. The close team and our two coaches enabled us to achieve goals that have never been accomplished before. Next year the team will only be without three seniors, Jan Heermans, Joy Heermans and Gail Matheus. If the team remains close and if all the girls can chalk this year up as experience, they will have a year more successful than this year. In the years to come, I wish all the girls the best of luck!" J. H.

This was the first year girls' softball was offered as an interscholastic sport at East. The team didn't do exceptionally well recordwise, but for the first year as a team they put forth a lot of hard effort. This effort, along with team unity made for a fun season and will be a good foundation for next year. This year the team will be losing five seniors: Colleen O'Connor, Luanne Nowack, Jan and Joy Heermans and Kerry Larson. Since there were five starting freshmen between JV and Varsity, we hope this space will be filled. That, along with a good development of pitching should make next year's season something to look forward to.

The girls' track team had a very successful season in '77. Overall they excelled over 46 teams, losing to only 6 others. Highlights of the season included winning both the Washington County indoor and Outdoor Invitational meets. This is the first time ever have been achieved without a lot of effort both individually and as a team. Improvements were seen by many and these showed as the team took second in conference. The team did very well at state with a first place in the 880 relay which was run by Janet, S. Heder, Jody Meinberg, Katie Wurster and Teri. In the 200 run by Janet and the 200 low hurdles run by Jody, Janet, Jody, Katie, Karen Winkvist and Gail Matheus are the only seniors that will be leaving, so next season has a victorious outlook!

CLUBS AND ACTIVITIES

Basketball games, "Peter Pan", forensics meets, painting spirit signs, badminton, field trips and many other countless activities will be treasured forever.

Finding those two or three extra hours to really get involved is something exciting, challenging and shows dedication. Those sought after hours caused many schedules to change.

The memories of running around the house getting ready for meetings, banquets or practices, eating supper in the car or at McDonalds, explaining to parents how important each meeting is, getting up early and getting home late, will remind us of our extracurricular activities.

All these memories will be kept for years to come as we look back and see how much those activities have helped us grow. We realized how all those activities helped us get through all the other hassles of life. Remembering this part of our life will guide us through the future.

The Importance of Being Earnest

Oscar Wilde is a master of sophisticated comedy, and "The Importance of Being Earnest" is his masterpiece. Wilde injected timeless messages into his plays. In this play, the message is that a person's name and heritage mean little. It's what he makes of himself that counts.

AYN RAND NIGHT OF JANUARY 16th

THE CHARGE WAS MURDER
THE AUTHOR AYN RAND
NIGHT OF JANUARY 16th

The uniqueness of the 1977 All-School Play lay in the fact that the jurors were drawn from the audience. Karen Anne was charged with the murder of Bjorn Faulkner, her lover, and the financial wizard of the world. The case was presented before the jurors, and her fate rested solely in their hands. The story was told by a series of witnesses each adding their own piece to the mysterious puzzle. The verdict is strictly a question of **your** values and beliefs. Did Bjorn Faulkner commit suicide, or was he murdered?

PETER

Magic was in the air on March 4, 5, and 6 as East and West together presented the 1977 WBHS Musical, **Peter Pan**. Vicki Griffith, as Peter, led the audience on a magical trip to "Never-Never Land." Outwitting Captain Hook and his Pirates was the challenge of the evening as

UP WITH PEOPLE

"If more people were
for people,
All people
everywhere,
There'd be a lot less
people to worry
about,
And a lot more people
who care."

From Up With People
theme

Everyone, yes everyone were on their feet clapping and dancing to the beat. The auditorium was rocking and pounding to the music from the group, "Up With People". The group's theme song "Up With People" ended the first hour of a two-hour performance, which featured a vibrant "Viva le Company," square dancing, a beautiful "What Color is God's Skin," and a medley of songs and native dances. The fun-with-people message continued during the second hour and a historic look at a variety of songs was especially well-received.

Approximately 350 new students who tour with a number of Up With People casts were present this evening. The 350 are selected from some 5 000 youths between 18-24 who apply each to the independent, nonprofit educational corporation centered at the University of Arizona. While on tour, each student lives with approximately 80 host families.

Dear Fellow Students

Now my year here in West Bend is soon coming to it's end. This year has really been excellent busy-scheduled — but fun

Adjusting to West Bend's way of life has not been hard at all with a good preparation before I came and of course with the Sorenson family. They have been a very understanding family and have helped me a lot. Help from the high school, and all my friends and the staff has meant much to me. But learning about a new, different community and traveling around I think have been the best education, and the best way of understanding people.

I've really enjoyed my school year here. I've found it so neat because of the different variety of things that are going on in the High School. There are so many different courses to choose from and then all kinds of clubs and other activities that are so easy to get involved in.

Courses I've taken this year and have enjoyed very much are: American Literature, Minority Studies, Community Studies, German, Spanish, Photography, Ceramics, Home Ec. — clothing and Phy Ed.

During the year I've had to give quite a few speeches about my country, both inside and out

side of school, and in other schools. But I've enjoyed them a lot, especially being able to tell other people about my country.

This year has definitely been one of my most exciting years. It has been a great experience and I must mention that staying away for awhile has been the best way of learning much about myself which I think is very important. I know that my heart will always stay here in West Bend after I return home. It also makes me happy to think that I will always keep in touch with my American family, who have been so very special. But I also hope to keep in touch with West Bend East High School where I met my friends who are so special to know.

I'm so happy that I was the one chosen to stay in West Bend this year, and happy I got to attend East High School. But I'll never forget all the things that have been done for me, which are many.

Good luck to all of you!

"If a picture paints a thousand words, then why can't I paint you."

These were the sentiments expressed by 1977 prom goers if Bread was the theme, and, as is traditional, our Junior Prom was held at the Holiday Inn. Stars for each couple, a glitter ball, fountains and music by "Medallion" created a magical atmosphere for everyone that attended. King Steve Stocker and Queen Bridget Matenaer led everyone in dancing to the theme song. The evening was concluded at the Post Prom dance sponsored by the West Bend Jaycees, where 'Electric Lady' performed from midnight to 3:00 a.m. Good food, music, company, and fun made the 1977 Junior Prom an evening to remember for a long time.

"Ladies And Gentlemen, The 1976-77 East High School

Marching Band."

The 1976-77 East Marching Band had a very busy year. Playing at least in home football and basketball game they led the student body in spirit and sportsmanship. Aside from their performances in field shows and parades, the band music makers gave concerts, and in April performed in an annual Music Contest. Many of the band members went on to the State Meet where they represented East well. All in all this has been a fun filled year, and next year promises to be even better!

Bringing back trophies and first place ribbons from camp ... entertaining children during the Christmas concert at the Threshold ... practices at 6:50 a.m. in the morning ... selling East tote-bags, football and basketball pins ... missing half of the most exciting basketball game to put on make-up (toy soldier) ... placing first in prop dance at Midwest competition ... last minute glittering ... fixing that fantastic spaghetti dinner for our parents ... camp out at Skrivy's lake Christmas party at Endlich's ... all the support of East Sun Fans! Going through a Pom Pon girls mind, you'll find these memories. Memories that are history but they seem to have happened just yesterday. We'll always cherish the fun and new friends we met. We are thankful for all the East Sun support we have received and it will be remembered in the future.

Best wishes to our advisor, Miss Skrivseth, who is going to Oregon to further her education.

During the Pom Pon season, the squad performed a variety of routines. Many included props, the picture **above** shows a routine in progress ... later the squad dropped their pom pons and picked up "envelopes." These "envelopes" were addressed to the basketball players. **Below** the squad is in a heart, which was the ending formation of "Rockin' Roll Love Letter." For Christmas, the squad dressed up like "Soldiers on Parade." We wore the WBHS band uniforms. Farmers with shorts, gingham shirts and hats entertained at pep assemblies. Other props were used during the year

East fans are #1

This year the East Cheerleaders again backed the Suns all the way!

Cheerleading was a new and different experience for everyone because it was no longer considered a sport, but was now a club

Planning pep assemblies and painting signs kept us busy this year, but raising money for spectator busses was perhaps the most frequent and hardest job of all. It was harder this year because we needed more busses than ever before. The great attendance was due to one of the most spirited student bodies in East's history

Now that the year is over, I'm sure that everyone remembers a special game, or their favorite pep skit, but I think what we'll remember most is the super support that all of the fans and parents gave throughout the season. To the terrific athletes we're especially thankful because without them, we would never have become West Bend East Cheerleaders

Thank-you from the 1976-77 Cheerleaders! K.L.

UNDERCLASSMEN

When we, the Underclassmen of West Bend High School, look back at experiences and events enjoyed here at East, our memories will be fond ones. As freshmen, we remember learning what a "mod" is, what a "hall monitor" is and what an "Upperclassman" is. Treasured memories from our sophomore year include getting our class rings and also having "Clem" step on the dual brake pedal when we were driving in Behind-the-Wheel. Juniors will always remember Chemistry—what a class (How many moles??) and also having our own Prom and electing our classmates to court. No matter what our experiences have been, they are made more fond because we had them at West Bend East.

are not confined.
There is space to grow
limitless.
We are never alone.
We are not strangers
anywhere.

SENIORS

In growing, we have shared. In learning, we have found friendship. Upon graduation the class of 1977 will take with them many memories and treasure their accomplishments.

West bend east high school.

Dr. John Sheehy, gave a short, but effective speech with a few wise words from Sir Winston Churchill.

Guest Speaker, Mr. Robert Rolfs, president of Amity Leather Company, told the graduates how important it is to be involved in community activities which he has demonstrated well.

Lisa Lonergan using her perfected speaking talents to get across her idea.

John Berch discussed the importance of words in setting the pace.

Student speaker, Cyndi Richson, presented the class memorial, a trophy case for the front of the auditorium.

FRIENDS AND FACES

The things you taught us
friends and teachers
we can not easily forget
You helped to make us
who we are now
Our school days
are ending
Soon the friends and faces
which now mean so much
will only be a happy memory
of the past
It's now come to a close -
a tender moment
to be happy and sad
at the same time
It's difficult
but we'll make it
We know we will
You've helped us this far
We're now on our own

Kathy Noack

As editor of the 1977 Helios, I would like to thank all the students who worked on the staff. They put in a lot of long hours of hard work. Most of us, including me at one time or another said "I am going crazy" and wanted to quit. That would have been too easy. It takes a very special type of person to work on the staff. We surpassed many of our goals and tried to put out a product in which the students and faculty could take pride in.

Many special thanks go to Mr. Weller for his kind cooperation and to Mr. Kasper for putting up with us! The staff wishes Mr. Kasper the best of luck at New London.

Sincerely yours,
 Ann Wattleworth
 1977 Helios Editor
